Donna L. Imme, CPPB
Supervisor of Purchases

INFORMATION FOR BIDDERS

1. Date and Place for Opening Proposals - Pursuant to the "Invitation to Bidders", sealed proposals for performing the work will be received by the Purchasing Office, Room 112, at the time and place set forth therein with the award to be made as soon as practicable, thereafter.

All bids received by the time set for receipt will be opened by the Supervisor of Purchases and read publicly at the exact time set for receipt irrespective of any irregularities therein. Bidders and or their representative and any interested public may be present.

2. Printed Form for Proposals - All proposals must be made upon the blank proposal form as attached hereto; should give prices both in words and figures; must be signed and acknowledged by the bidder where indicated on the proposal form; submitted in a sealed envelope using the Bid Return Label provided.

3. Omissions and Discrepancies - Should a bidder find discrepancies or omissions from the Contract Documents or should he doubt their meaning, they should immediately notify the Supervisor of Purchases who may send written instructions to all bidders.

4. Acceptance or Rejection of Proposals - The City reserves the right to accept or reject any or all proposals. Without limiting the generality of the foregoing, any proposal which omits a bid on any one or more items on the price sheet may be rejected; any proposal in which unit prices are omitted or in which unit prices are obviously unbalanced may be rejected.

5. Acceptance of Proposals and the Effect - Within thirty (30) calendar days after the opening of the bids, the City will act upon them. The acceptance of a proposal will be either a notice of award, in writing, or an acceptance letter from the Supervisor of Purchases, and no other act shall constitute the acceptance of a proposal.

The acceptance of a proposal shall bind the successful bidder to execute the contract within the time and manner as set forth within these contract documents making him responsible and liable for failure to execute as prescribed.

6. Time for Executing Contract and Damages for Failure to Execute - Any bidder whose proposal shall be accepted will be required to appear at the office, where directed to appear in notice of award, in person, or a duly authorized representative of a firm or corporation, to execute the contract within ten (10) days, including Saturdays and Sundays, of the date of mailing of a notice, stating that the award has been made to him or his firm. Failure or neglect to do so shall constitute a breach of contract for which the City may cancel the notice of award, award the bid to someone else, or rebid the entire project as well as sue for damages.

Damages for such a breach of contract will include but not be limited to the loss of any awarding of work to him and other items whose accurate amount will be difficult or impossible to compute, and all other damages recoverable at law and in equity.

7. Determination of Lowest Responsible Bidder/Award - Except where the Owner exercises the right herein to reject any or all proposals, the contract will be awarded by the owner to the "Lowest Responsible Bidder", as determined under the factors to be considered under section 78-8(m), as amended, of the Middletown Code of Ordinances.

It is the intent of the City to award one (1) contract in the aggregate to the lowest responsible bidder submitting the lowest total cost to provide the services specified complying with these specifications and provided sufficient funds are available to award the contract. **However, the City reserves the right to award in whichever way will be in the best interest of the City.**

8. Partial Bids - All bidders shall be required to

submit a bid on each item listed. **Partial bids per category shall not be accepted and the bidder will be deemed non responsive.**

9. Term of Contract - The term of this contract shall be for a period of twenty-four (24) months effective on or after **January 1, 2015 and terminating December 31, 2016.**

10. Prices - In the event of discrepancy between the prices quoted in the proposal in words and those in figures, the words shall control. The prices are to include furnishing all water quality testing as specified, inclusive of material, equipment and labor costs necessary to comply with the City's requirements.

11. Interpretations and Addenda - **No oral interpretations shall be made to any bidder as to the meaning of any of the Contract Documents or to be effective to modify any of the provisions of the Contract Documents.** Every request for an interpretation shall be made **in writing**, addressed and forwarded to the Supervisor of Purchases, Municipal Building, 245 DeKoven Drive, Middletown, Connecticut, 06457. **Questions may be sent via facsimile to (860) 638-1995 or email to purchase@middletownct.gov.**

To receive consideration, such questions shall be submitted in writing by **Thursday, December 11, 2014 by 12:00 pm.** If the question involves the equality or use of products or methods, it must be accompanied by drawings, specifications or other data in sufficient detail to enable the Supervisor of Purchases to determine the equality or suitability of the product or method. In general, the Supervisor of Purchases will neither approve nor disapprove particular products prior to the opening of the bids; such products will be considered when offered by the bidder for incorporation into the work.

The Supervisor of Purchases will arrange as Addenda, which shall become a part of the contract, all questions received as above provided and the decision regarding each. At least five days prior to the receipt of bids, a copy of these

Addenda will be posted to our website at www.middletownct.gov. **It is the responsibility of each bidder visit and acknowledges all addenda's and updated information that is posted on our website.** Non-receipt of said addenda shall **not** excuse compliance with said addenda. No alleged "verbal interpretation" shall be held valid. Any addenda issued during the bidding period shall supersede previous information.

Again, it is the responsibility of each bidder to visit our website at www.middletownct.gov to determine whether any addenda have been issued and posted and if so whether he/she has received a copy of each.

12. Termination of Agreement - The City reserves the right, if it determines it to be in the best interests of the City to do so, to terminate this Agreement at the end of any full month. If the City exercises this right, it shall terminate this Agreement by giving five days advance written notice to the bidder of such termination in the month in which the termination is to take effect, and in such event, the bidder shall be compensated at the bid unit cost for only those services provided up to the end of that month, at which time this contract shall terminate.

13. Insurance - The selected bidder shall be required to provide a Certificate of Insurance as specified in the attachment "Insurance Requirements". The bidder shall be required to provide evidence of such insurance coverage to the Supervisor of Purchases within ten (10) days from receipt of the Notice of Award. Evidence of such insurance coverage and City approval shall be required prior to the execution of the contract document.

14. Time for Performance - Project Schedule -
A. The bidder must be available to provide water quality testing immediately after receipt of the an approved purchase order which shall serve as the Notice to Proceed and shall agree to fully complete the services in accordance with the following

schedule.

Water Testing - Public Works Department:
Test results shall be returned to the Public Works Department **within thirty (30) calendar days** from collection except where noted otherwise.

Water Testing – Water & Sewer Department Test results shall be returned to the Water & Sewer Department **within thirty (30) calendar days** from collection except where noted otherwise.

- B. Failure to provide such required laboratory testing service as above specified shall constitute default and breach of contract and the Owner may then authorize procurement of such equipment/material from the most expeditious alternate source available to them.
- C. All excess expenses charged for alternate procurement of defaulted service under this contract shall be deducted from monies due the successful bidder on this contract. If no monies are due, then the bidder shall pay to the Owner the difference between the contract price and what the Owner must pay to obtain the item from said alternate source.

15. Indemnification - The successful bidder agrees to indemnify and hold harmless the Owner, its officers, agents, servants and employees against any and all liability, judgments, cost, expenses and other loss, including attorney's fees, and against all claims or actions including but not limited to those based upon or arising out of damage or injury (including death) to persons or property caused by or sustained in connection with any act or omission of the Successful Bidder, its officers, agents, servants and employees in the performance or lack of performance of the services under this contract.

16. Quantities - The quantities specified herein are approximate only as determined by the requesting departments and are **not guaranteed**.

They are included to provide the bidder with an estimate of the City's requirements pursuant to this contract and to provide a uniform basis for the comparison of bids.

The City of Middletown shall reserve the right to increase or decrease actual quantities or may delete items required at the time the contract is awarded or at any time thereafter without prejudice toward the quoted bid price if to do so is in the City's best interest.

17. Excise and Sales Tax - Purchases made by the City of Middletown are exempt from the payment of Federal Excise and Connecticut Sales taxes. Such taxes must not be included in the bid prices. Exemption certificates will be provided at the bidder's request.

18. Firm Pricing - The City of Middletown requires that all bidders provide firm pricing for all those items they are bidding in accordance with the contract term specified herein.

19. Condition Necessary to Complete Contract to Satisfaction of the City of Middletown - The City shall designate the time, place and amounts of work to be done so as to meet all stipulations as set forth in the Contract Documents. Any contractual agreement made herein between the bidder and the City shall not restrict the City from utilizing other sources of materials and services. If the City chooses to utilize other sources of materials and/or services, this shall not act to negate or void the contract; nor shall employment of such materials or services be used as a basis for the successful bidder to abandon his responsibilities or to claim damages as set forth within the Contract Documents.

20. Substitutions - Substitutions of any item specified shall not be acceptable to the City of Middletown without prior written authorization.

21. Conditional / Qualified Bids - A conditional or qualified bid will not be accepted.

22. Corrections to Bids - Corrections, erasures

or other changes to the bid proposal must be noted over the signature of the bidder.

23. OSHA Reporting Requirements - The selected bidder shall be required to comply with the City of Middletown Department of Health requirements with respect to employees and contractor training, notification and documentation requirements for the handling, packaging and delivery of any chemicals and other hazardous materials to be furnished pursuant to this contract. The requirements of which are incorporated in these specifications by attachment.

24. Delivery and Payment Terms - All materials and services to be furnished pursuant to this contract shall be delivered Free on Board hereinafter referred to as FOB, City of Middletown freight prepaid to that location specified on the purchase order.

Payment discounts for early payment are preferred. All others shall be net 30 days unless specified otherwise. The bidder shall submit an itemized invoice to the Department Directors on a monthly basis. The Department Director shall then approve same and forward to the Department of Finance for payment. Payment shall then be made to the bidder no sooner than ten (10) consecutive calendar days from the date the invoice has been received by the Department of Finance as approved by the Department Director.

25. Alternate Testing Requirements - The City of Middletown may require additional testing services over the term of this contract that have not been specifically itemized on the Proposal Form.

The bidder shall submit, attached to his bid proposal, their current published price list. In the event these additional testing services are required, compensation for this testing shall be made at the bidder's published schedule of fees less the percentage discount quoted on the bid proposal page.

The percentage discount shall be that percentage

which will be afforded to the City for unanticipated testing requirements which shall be a fixed percentage discount for the duration of the contract.

The City shall reserve the right to request that the bidder provide updated price lists reflecting price increments and or decrements as required to audit the fees charged. The City further requires that the bidder provide the minimum of thirty (30) days advance written notice of any price increase or decrease.

26. Licensing Requirements - Laboratories responding to this bid must be licensed and approved by the State of Connecticut Department of Health Services, and shall provide their current license number in the space provided on the bid proposal page as well as an attached copy to the bid proposal.

27. Facsimile Bids - Facsimile bids will not be accepted by the City under any circumstance.

28. Subcontract - The bidder awarded this contract shall **not subcontract this contract in whole or part** without prior written authorization from the City of Middletown.

29. Assignment of Antitrust Claims - The contractor or subcontractor offers and agrees to assign to the City of Middletown all right, title and interest in and to all causes of action it may have under Section 4 of the Clayton Act, 15 U.S.C. § 15, as amended, or under Chapter 624 of the General Statutes of Connecticut, as amended, arising out of the purchase of services, property, commodities or intangibles of any kind pursuant to a purchase contract or subcontract made by the City of Middletown. This assignment shall be made and become effective at the time the City of Middletown awards or accepts such contract, without further acknowledgment by the parties.

(5-14-93)

30. Americans With Disabilities Act - The contractor / service provider, in performing this agreement, will at all times, comply with the

provisions of Title II, the nondiscrimination and access requirements, of the Americans with Disabilities Act.

31. Site Visits - The City of Middletown strongly recommends site visits for the vendors to familiarize themselves with the conditions and locations of the wells, more specifically the access to the wells for water testing. CHAPTER 26, CONTRACTS

ARTICLE I--EQUAL OPPORTUNITY IN EMPLOYMENT.

26-1 Contract Provisions Required

Every contract made by or on behalf of the City of Middletown for the construction, lease, alteration or repair of any public building or public work, or for the purchase, manufacture, sale or distribution of materials, equipment or supplies shall contain provisions providing for equal opportunity in employment.

26-2 Enforcement Officer

The Human Relations Director, who is the City's Affirmative Action Officer, shall have the authority to enforce this ordinance.

26-3 Provisions to be Included

- A. Every contract for the construction, alteration or repair of any public building or public work shall contain the following provisions approved by the Human Relations Director:

The contractor agrees and warrants that in the performance of this contract he will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex (including pregnancy), transgender status, gender identity or expression, intellectual disability or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved, political belief, Vietnam Era Veteran status, union membership, genetic history, criminal record (unless the provisions of Section 46a-60, 46a-80(b) or 46a-81 of the Connecticut General Statutes are controlling or there is a bona fide occupational qualification

excluding persons in one of the protected groups) present or past history of mental or physical disability, or sexual orientation in any manner prohibited by the laws of the United States or of the State of Connecticut or the City of Middletown. The contractor also agrees to provide the Affirmative Action Officer of the City of Middletown with such information that may be requested concerning the employment practices and procedures of the contractor as related to the provisions of this section.

- B. The aforesaid provision shall include, but not be limited to, the following: advertising, recruitment, layoff, termination, rates of pay or other forms of compensation, conditions or privileges of employment selection for apprenticeship, selection or retention of subcontractors, or in the procurement of materials, equipment or services.

26.4 Notices to be posted on project site.

The contractor shall hereinafter post on the project site, in conspicuous places available for employees and applicants for employment, notices setting forth its non-discrimination requirements.

26.5 Subcontractors and Suppliers

In all pre-contractual contracts between contractor and any subcontractor or supplier either for work to be performed under a subcontract or for the procurement of materials, equipment or services, each subcontractor or supplier shall be notified in writing by the contractor of the contractor's obligations under this contract relative to non-discrimination and each subcontractor or supplier, by his contracting agent, shall agree to and be bound by the terms of this Contract.

26.6 Effect on other laws

Nothing contained herein is intended to relieve any contractor from compliance with all applicable federal, state and municipal legislation or provision concerning equal employment opportunity,

affirmative action, non-discrimination and related subjects during the term of its contract on this project.

(4/7/80; 3/8/93, 11/1/02, 2/3/03, 6/3/13)

ARTICLE III ADEQUATE DELIVERY OF SERVICE

26-11 Provisions to be incorporated

All service contracts entered into for the benefit of the citizens of Middletown between the City of Middletown and contractors shall incorporate the following provisions:

- A. A description of the services provided under the contract.
- B. The name, address, and proof of agreement between a second agency which could step in at a moment's notice should the contracting agency not be able to fulfill its designated service.
- C. The contracted agency will be held responsible both financially and administratively with respect to the provision of backup services in the event the agency could not fulfill its contract obligations for Middletown citizens in accordance with the contract with the City.
- D. A twenty-day advance notification period is required of each agency to inform the City of an expected interruption of services per its contracts.

BID #2014-035
WATER QUALITY TESTING SERVICES
PUBLIC WORKS AND WATER & SEWER DEPARTMENT

GENERAL SPECIFICATIONS

The City of Middletown will accept bids from qualified environmental engineering firms and certified laboratories to provide collection, testing and reporting of water samples for compliance with DEP regulations. Enclosed in these specifications are maps showing the location of all test sites.

It is highly advised that the bidders familiarize themselves with the locations prior to submitting a bid. Some locations require the removal of a catch basin grate, and some of the catch basins are six (6') to seven (7') feet deep. In the winter, the wells at the landfill may be snow covered; access may be limited to walking.

The Connecticut DEP requires that these tests be performed in the timeframes set within these specifications. Every effort needs to be made to satisfy these requirements.

It is the intent of the City to establish a term contract for these services with firm pricing for a contract term of twenty-four (24) months to commence on or after **January 1, 2015 and terminate December 31, 2016.** Testing services required throughout the term of the contract shall be authorized based on the required testing to be performed per fiscal year and per location upon receipt of an approved purchase order.

The bidder shall indicate on the Proposal Form the unit cost per test for each item and corresponding extension. Bidders shall be required to submit a copy of their license to perform the required tests and also must disclose the laboratories to be used for the testing of the samples taken, with a copy of the lab state license attached.

The City of Middletown strongly recommends site visits for the vendors to familiarize themselves with the conditions and locations of the wells, more specifically the access to the wells for water testing. Please contact with the appropriate personnel to coordinate site visit with the following:

Scope of Work to include the following tests:

- A. Water samples from observation wells at North End Landfill, Johnson Street**
- B. Stormwater Monitoring at Maintenance Garage (Washington Street) and Recycling Center (Johnson Street) and Sewage Treatment Plant (100 River Road)**
- C. Storm Water Discharge from small separate Storm Sewer Systems - total of 12 locations**

(6 locations to be performed (1/1/15to 12/31/15)

(6 locations to be performed (1/1/16 to 12/31/16)

PERFORMANCE OF WORK

All services to be performed under this contract shall be in compliance with DEP or DPH requirements for water quality testing and shall be completed in accordance with the schedule established for each location or type of test required. Any deviations to the schedule must be approved by the Director of Public Works or his designee for Public Work sites and by the Director of Water & Sewer or his designee for the Sewage Treatment Plant

TECHNICAL SPECIFICATIONS- A **WATER QUALITY TESTING – OBSERVATION WELLS AT NORTH END LANDFILL**

SCOPE: The work shall include collection of water from three (3) observation wells at the North End Landfill, Johnson Street. Monitoring shall be in accordance with the DEP. See Location plan in Appendix A for the location of the three wells. Three (3) wells will be tested four (4) times a year for a total of twelve (12) tests per year.

TIME AND PLACE OF SAMPLING: All samples to be tested shall be collected, four times per calendar year. Samples will be taken in January, April, July, and October of each year. The attached sketch shows the location of the wells at the Landfill. Samples will be taken only when the Landfill is open from 7:00am to 3:00pm, Monday through Friday.

Due to seasonal fluctuation in the surface and sub-surface water levels, there may be times when one or more of the wells are either dry or flooded. When this occurs, the test for those wells will be eliminated. **It is advisable for all bidders to familiarize themselves with the access to access and location of the wells.**

PARAMETERS TO BE MONITORED

Each sample shall be analyzed for following parameters:

1. Total dissolved solids
2. Total suspended solids
3. Alkalinity
4. Hardness
5. COD
6. Dissolved iron
7. Dissolved manganese
8. Ammonia
9. Nitrate
10. Chloride
11. ph
12. Lead
13. Cadmium

Each water sample shall also be analyzed for the following in addition to the above listed parameters:
Hydrocarbons

Volatile organic (according to method 8010 and method 8020 from EPA SWA 846)

TEST PROCEDURES

The samples shall be analyzed by a laboratory certified by the State Health Department. All samples shall be placed in the appropriate container for the test to be conducted (i.e., BOD bottle, volatile organic bottle, 1/2 gallon plastic bottle, etc.).

RECORDING OF RESULTS

For each measurement or sample taken, the following information shall be recorded:

- the place, date, and time of sampling
- the person(s) collecting samples
- the dates and times the analyses were initiated
- the person(s) or laboratory who performed the analyses
- the analytical techniques or methods used
- the results of all required analyses

REPORTING REQUIREMENTS

Test results are to be completed and returned to the Public Works Department within **thirty (30) calendar** days from date of collection unless specified otherwise. Results shall be sent to:

Thomas Nigosanti
Public Works Engineering
245 DeKoven Drive
Middletown, CT 06457

BASIS OF PAYMENT

All work listed above will be paid for at a unit price for three tests, four times per year, for a two year period, resulting in 24 tests. Work shall include providing the containers, visit to site to perform sampling, delivery of samples to lab, all testing and reporting as listed above.

<p style="text-align: center;">TECHNICAL SPECIFICATIONS - B STORM WATER MONITORING- CITY YARD / RECYCLING CENTER AND SEWAGE TREATMENT PLANT</p>
--

SCOPE: The work shall include storm water monitoring at eight sites at the below locations. Monitoring shall be in accordance with the DEP requirements for the "General Permit for the Discharge of Stormwater Associated with Industrial Activity ", effective date: October 1, 2011, and shall include the following:

TIME AND PLACE OF SAMPLING: All samples shall be collected from discharges resulting from a storm event that occurs at least 72 hours after any previous storm event generating a stormwater discharge. Any sample containing snow or ice melt must be identified on the Stormwater Monitoring Report form.

Sampling shall be done at the following locations, (See Appendix B):

- City Yard:** 1-4. There are four (4) locations at City Yard that need to be tested. All four are catch basins; the deepest is 6 feet to the invert of the outlet pipe. Appendix B has a sketch of the location of each catch basin. These tests will need to be taken between 7:30 a.m. to 3:30 p.m., Monday through Friday.
- Recycling Center:** 5. Catch basin behind the swap shack.
6. The swale along the south side between the Recycling Center and the railroad tracks.
- Sewage Treatment Plant** 7-8 There are two locations at the Sewage Plant that need to be tested. One is located directly north east of the Blower building and the second one is located west of sludge processing building.

SCHEDULE OF TESTS: One set of tests will be performed between **April 1, 2015 and September 30, 2015**, the second set will take place between **October 1, 2015 and March 31, 2016**, the third set will take place between **April 1, 2016 and September 30, 2016**. A fourth set will take place between **October 1, 2016 and December 31, 2016**. Monitoring events shall be separated by at least 30 days. Aquatic Toxicity tests will be conducted during the first and third set of tests.

STORM EVENT INFORMATION:

The following information shall be collected for each storm events monitored:

- The date, discharge temperature, time of the start of the discharge, time of sampling, and magnitude (in inches) of the storm event sampled;
- The pH of the uncontaminated rainfall (before it contacts the ground); and
- The duration between the storm event sampled and the end of the most recent storm event that produced a discharge.

PARAMETERS TO BE MONITORED

Monitoring shall be conducted for the parameters listed below:

- Chemical Oxygen Demand (mg/l)
- Total Oil and Grease (mg/l)
- pH (S.U.)
- Total Suspended Solids (mg/l)
- Total Phosphorus (mg/l)
- Total Kjeldahl Nitrogen (mg/l)

- Nitrate as Nitrogen (mg/l)
- Total Copper (mg/l)
- Total Lead (mg/l)
- Total Zinc (mg/l)

In addition to the parameters listed above, uncontaminated rainfall pH shall be measured at the time the runoff sample is taken.

TEST PROCEDURES

For sites that discharge through a detention basin or other stormwater management structure, the sample shall be taken at the discharge from the basin or structure. If no discharge occurs during a monitoring period, a Stormwater Monitoring Report (SMR) form shall still be submitted in accordance with the "Reporting Requirements" section (Section 5(h)(3)) of the general permit. In such a case, a notation of "no discharge" shall be made on the SMR form.

Grab samples shall be used for all monitoring and shall not be combined. Collection of grab samples shall begin during the first thirty (30) minutes of a storm event discharge (flow at sampling location) and shall be completed as soon as possible. Samples shall be taken at the outfall or nearest feasible location representative of the discharge. The uncontaminated rainfall pH measurement shall also be taken at this time. All discharge samples at a facility must be taken during the same storm event, if feasible.

Unless otherwise specified in this permit, all pollutant parameters shall be tested according to methods prescribed in Title 40, Code of Federal Regulations (CFR), Part 136. Laboratory analyses must be consistent with Connecticut Reasonable Confidence Protocols.

RECORDING OF RESULTS

For each measurement or sample taken, the following information shall be recorded:

- the place, date, and time of sampling
- the person(s) collecting samples
- the dates and times the analyses were initiated
- the person(s) or laboratory who performed the analyses
- the analytical techniques or methods used
- the results of all required analyses

REPORTING REQUIREMENTS

Test results including all information required above, shall be due within 30 days of the test date. In addition, a **DEP STORMWATER MONITORING** REPORT, copy attached, must be completed and submitted with the test results. Results shall be sent to:

Thomas Nigosanti
Public Works Engineering
245 DeKoven Drive
Middletown, CT 06457

Results for the Water Treatment Plant shall be sent to:

Alton I Sanders
Superintendent of WPCF
100 River Road

BASIS OF PAYMENT

All work listed above will be paid for at a unit price for one set of Storm Water General Permit Testing tests at 8 (eight) locations, four times during the contract period. Work shall include providing the containers, visit to site to perform sampling, delivery of samples to lab, all testing and reporting as listed above.

TECHNICAL SPECIFICATIONS - C
**GENERAL PERMIT FOR THE DISCHARGE OF STORM WATER FROM SMALL MUNICIPAL SEPARATE STORM
SEWER SYSTEMS**

SCOPE: The work shall include stormwater monitoring at six (6) sites each year at the locations shown in Appendix C. Monitoring shall be in accordance with the DEP requirements for the “*General Permit for the Discharge of Stormwater from Small Municipal Separate Storm Sewer Systems*” and shall include the following:

TIME AND PLACE OF SAMPLING: Samples shall be collected from a discharge resulting from a storm event that is greater than 0.1 inch in magnitude and that occurs at least 72 hours after any other previous storm event of 0.1 inch or greater. Runoff events resulting from snow or ice melt cannot be used.

Grab samples shall be used for all monitoring. Grab samples shall be collected during the first 6 hours of a storm event discharge. The uncontaminated rainfall pH measurement shall also be taken at this time. Samples for all discharges shall be taken during the same storm event.

LOCATION OF TESTING SITES: For the period beginning **January 1, 2015 to December 31, 2015** the test site locations are as follows and are described in more detail in Appendix C:

1. Ward Street @ Pameacha Pond
2. Nejako Drive @ West Swamp Brook
3. Westlake Drive @ Miner Brook
4. East Main Street @ Sumner Brook
5. Industrial Park Road @ Sawmill Brook
6. Bernie O’Rourke Drive @ Coginchaug River

For the period beginning **January 1, 2016 to December 31, 2016**, the test site locations are the same as the above 6 sites.

See Appendix C for maps and pictures of each outfall.

STORM EVENT INFORMATION: The following information shall be collected for the monitored storm event:

- * Date, temperature, time of start of discharge, time of sampling, and magnitude (in inches) of the storm event sampled.
- * The duration between the storm event sampled and the end of the previous measurable (greater than 0.1 inch rainfall) storm event.

PARAMETERS TO BE MONITORED

The storm event shall be monitored for the pollutants listed below.

pH (SU)
Hardness (mg/l)
Conductivity (umhos)
Oil & Grease (mg/l)
Chemical Oxygen Demand (mg/l)
Turbidity (NTU)
Total Suspended Solids (mg/l)
Total Phosphorous (mg/l)
Ammonia (mg/l)
Total Kjeldahl Nitrogen (mg/l)
Nitrate plus Nitrate Nitrogen (mg/l)
E. coli (col/100ml)

In addition to the parameters listed above, uncontaminated rainfall pH shall be measured at the time the runoff sample is taken.

TEST PROCEDURES

Unless otherwise specified, all pollutant parameters shall be determined according to methods prescribed in Title 40, CFR, Part 136 (1990), and Promulgated to Section 304(h) of the Federal Water Pollution Control Act.

RECORDING OF RESULTS

For each measurement or sample taken, the following information shall be recorded:

- * the place, date, and time of sampling
- * the person(s) collecting samples
- * the dates and times the analyses were initiated
- * the person(s) or laboratory who performed the analyses
- * the analytical techniques or methods used
- * the results of all required analyses

REPORTING REQUIREMENTS

Test results, including all information required above, shall be due **within 30 calendar days** of the test date.

In addition, a **DEP STORMWATER MONITORING** REPORT, copy attached, must be completed and submitted with the test results. Results shall be sent to:

Thomas Nigosanti
Public Works Engineering
245 DeKoven Drive
Middletown, CT 06457

BASIS OF PAYMENT

All work listed above will be paid for at a unit price for one set of tests at the twelve (12) locations listed in Appendix C. Work shall include providing the containers, visit to site to perform sampling, delivery of samples to lab, all testing and reporting as listed

EXHIBIT A - INSURANCE REQUIREMENTS

BID #2014-035

WATER QUALITY TESTING SERVICES

A. GENERAL REQUIREMENTS:

The **BIDDER** shall be responsible for maintaining insurance coverage in force for the life of this contract of the kinds and adequate amounts to secure all of the **BIDDER'S** obligations under this contract with an insurance company(ies) with an AM Best Rating of A- VIII or better licensed to write such insurance in the State of Connecticut.

The insurer shall provide the City of Middletown with original completed **Certificates of Insurance signed by an authorized representative of the insurance company(ies)** prior to purchase order/contract issuance. The completed Certificate shall confirm the insurer agrees to endeavor to give the City of Middletown written notice at least thirty (30) days in advance of any termination, expiration, or any and all changes in coverage.

Such insurance or renewals or replacements thereof shall remain in force during the **BIDDER'S** responsibility under this contract.

The **BIDDER**, at their own cost and expense, shall procure and maintain all insurances required and shall name the City of Middletown as an Additional Insured on all contracts, except Workers' Compensation, Professional Errors & Omissions and Valuable Papers coverage. Coverage is to be provided on a primary, noncontributory basis.

In order to facilitate this requirement for insurance, it is recommended that the BIDDER forward a copy of these requirements to their insurance representative(s).

B. SPECIFIC REQUIREMENTS:

(1) Workers' Compensation Insurance -

The **BIDDER** shall provide Statutory Workers' Compensation Insurance, including Employer's Liability with limits of:

\$100,000 Each Accident
\$500,000 Disease, Policy Limit
\$100,000 Disease, Each Employee

(2) Commercial General Liability Insurance -

The **BIDDER** shall carry Commercial General Liability insurance (Insurance Services Offices Incorporated Form CG-0001 or equivalent). A per occurrence limit of \$1,000,000 is required. The Aggregate Limit will be not less than \$1,000,000. Any deviations from the standard unendorsed form will be noted on the Certificate of Insurance.

(3) **Business Automobile Liability Insurance -**

If applicable, the **BIDDER** shall carry Business Automobile Liability insurance (Insurance Services Office Incorporated Form CA-00001 or equivalent). A combined single limit each accident of \$1,000,000 is required. "Any Auto" (symbol 1 or equivalent) is required. Any deviations from the standard unendorsed form will be noted on the Certificate of Insurance.

(4) **Professional Liability Insurance –**

If applicable, the **BIDDER** shall carry Professional Liability Insurance in an amount of not less than \$1,000,000.

C. SUBCONTRACTORS REQUIREMENTS:

The **BIDDER** shall require the same insurance that it is required to carry by the City of Middletown to be carried by any subcontractors and independent contractors hired by the **BIDDER** and to obtain **Certificates of Insurance** before subcontractors and independent contractors are permitted to begin work.

The **BIDDER** shall require that the City of Middletown be named as an Additional Insured on all subcontractors and independent contractors insurance before permitted to begin work. Coverage is to be provided on a primary, noncontributory basis.

The **BIDDER** and all subcontractors and independent contractors and their insurers shall waive all rights of subrogation against the City of Middletown and its officers, agents, servants and employees for losses arising from work performed by each on this contract.

D. OTHER

- If any policy is written on a "claims-made" basis, the policy must be continually renewed for a minimum of two (2) years from the completion date of this contract. If the policy is replaced and/or the retroactive date is changed, then the expiring policy must be endorsed to extend the reporting period for claims for the policy in effect during the contract for two (2) years from the completion date.
- The City reserves the right to amend amounts of coverage required and types of coverage provided based on work or service to be performed.

Permittee Name: _____	Permit #: GSI _____
Site Name: _____	
Site Address: _____	
Sample Location: _____	

Enter the sample dates and the data reported for the 4 most recent semi-annual sample results at this discharge location in the chart below. To determine the average for the four samples add up each of the four results and then divide that number by 4. ***Only monitoring collected under the current permit (effective 10/1/11,) can be used to earn the monitoring exemption.***

$$\text{Average} = \frac{(\text{Sample 1} + \text{Sample 2} + \text{Sample 3} + \text{Sample 4})}{4}$$

Parameter	Sample Result				Average	Benchmark*	Qualify for exemption?
	1	2	3	4			
Sample Date							
O&G						5.0 mg/L	
Sample pH						5-9 S.U.	
COD						75 mg/L	
TSS						90 mg/L	
TP						0.40 mg/L	
TKN						2.30 mg/L	
NO ₃ -N						1.10 mg/L	
Total Copper						0.059 mg/L	
Total Zinc						0.160 mg/L	
Total Lead						0.076 mg/L	

*If the average of the 4 most recent samples is less than the benchmark listed, your facility is no longer required to sample semi-annually for that parameter for the rest of the permit (current permit expires 9/30/2016). If your facility qualifies for an exemption from monitoring for sample pH, your facility is also exempt from monitoring rainfall pH for the remainder of the permit.

If the average of the four (4) most recent samples is equal to or greater than the benchmark listed, check the appropriate box on page 1. If so, you have exceeded the benchmark and must continue to sample this parameter semiannually until the average is below the benchmark. See Section 5(e)(1)(B) of the General permit for requirements when exceeding a benchmark.

If the sample results reported by the testing laboratory were below detection limit, for the purpose of averaging, use a value that is ½ the detection limit for that parameter in the formula above. For example, if the result for Oil & Grease was <2.0 mg/L, use a value of 1.0 mg/L for determining the average. Please refer to section 5 e(1)B(iii) for a more detailed explanation.
